

Dr Maria Yanez Lopez is an MRI clinical scientist and an IPEM certified MR Safety Expert (MRSE). She is the deputy head of the MRI Physics group in Swansea Bay University Health Board (UK).

Dr Yanez Lopez has a PhD from the University of Nottingham and before joining the UK's National Health Service in 2021, she was a researcher in Imperial College London and King's College London.

As a clinical scientist, Dr Yanez Lopez is passionate about bringing research developments into clinical practice. She is the current vice-chair of the Institute of Physics and Engineering in Medicine MRI Special Interest Group and is increasingly involved in UK-wide initiatives to promote sharing of knowledge and practices in the field of MRI.
