

David Bradley Bio

Distinguished Professor, Sunway University, Malaysia

***Professor Emeritus, School of Mathematics and Physics,
University of Surrey***

Honorary Professor University College London

David Bradley PhD (USM), MSc (London), BSc (Essex), F. Inst P., FIPEM. During a 47 year career, with others he helped to establish and nurture the International Radiation Physics Society (now 41 years since inception), eventually leading to his becoming the Secretary and thereafter President of IRPS. He has been Editor-in-Chief of the *British Journal of Radiology* (the oldest journal of radiology in the world) and of the journals *Applied Radiation and Isotopes* and *Radiation Physics and Chemistry*. In recent years his research interests have turned from fundamentals to applications of radiations in biomedical-, industrial- and environmental areas. Supervision of 33 PhD students has engendered numerous collaborations, contributing to a record of some 13,000 citations and an h-index of 56.
